QUOTES FROM SOME OF OUR PARTICIPANTS:

"If you want to become a real teacher, take the CELTA at Supercomm because they provide an amazing amount of support."

"The seminars were excellent. the modelling of the lessons was inspiring, the methodology clearly explained. Both tutors have a wonderful sense of humour and plenty of experience to share."

"The tutors have been excellent."

"Staff at the center were great."

"I appreciated having two tutors with different styles. I learned from both of them in ways that I did not anticipate on the first day of class."

"Fantastic teaching strategies and methods, great modelling by tutors and teachers in live lessons."

PARTICIPANTS GIVE ADVICE TO FUTURE CELTA CANDIDATES:

"Extremely time consuming and challenging. A good learning experience but you really do have to put the rest of your life on hold."

"Excellent course, intensive if done over a month period, but a lot of fun."
"...well worth taking..."

"It is a useful course to follow."

"Extremely intensive, but rewarding."

"Difficult yet extremely beneficial for a future career in teaching."

BEFORE & AFTER:

"More confidence, greater awareness, all round progress in all areas."

"I personally feel that I have grown tremendously in my ability to teach."

"I can now better plan my lessons and use techniques to reduce my teacher-talking-time."

"The course has given me the confidence to now go out and build on all I have learned and be a good teacher."
